### SALARY

The salary and benefits package is exceptional and is based on your years of experience. The base salary range is \$49,151 - \$65,534 circa £28,000 - £37,300 in the UK, and successful candidates should expect the opportunity to earn an additional 17% extra through overtime and shift allowance. You will also receive an additional tax free incentive up to a maximum amount of AUS \$9,095 per annum.

### BENEFITS

- Employment based sponsorship visa and the opportunity to apply for permanent residency after 3 months.
- 42 days paid holiday.
- 120 hours parental and compassionate leave.
- Employer contribution to your pension of 6% of your salary.
- Free uniforms.
- Free flight.
- Scholarship opportunities for continuing education and career advancement.

### RELOCATION SUPPORT PROGRAMME

- An overseas career move is not something to be taken lightly but the package being offered by the Government of South Australia, which has been designed to help you every step of the way, includes: meet and greet on arrival; a housing allowance and a personal mentor for professional and personal support.
- Assistance through SA migration with finding schools for children, opportunities for spouse or partner employment and suitable accommodation.

South Australia, the festival state, is a wonderful place to live with a strong multi cultural and welcoming society, great sports facilities, free city centre transport, glorious beaches and Mediterranean climate. The city of Adelaide boasts many museums, galleries, markets and other places of interest.

What more could anyone ask for than opportunities that are rewarding with exceptional career paths, professional development and support for further training, earnings that expand your outlook, rewards that reflect your dedication and surroundings that are uplifting?
